” Designing and keeping up with international processes is a challenge that we have mastered with CAS genesisWorld. “

Fritz Goetz, Head of Sales

CAS genesisWorld

xRM and CRM for small and medium-sized enterprises

” Designing and keeping up with international processes is a challenge that we have mastered with CAS genesisWorld. All of our documents and processes are consistent across all of our sites, because we all work with the same software. We can press ahead with our international expansion, because our professionalism is our common foundation.

Fritz Goetz, Head of Sales

Simons Voss
technologies

Industry

Manufacturing company, Electrical engineering

Objectives/Requirements

- To optimize the structure of the sales processes
- To standardize sales processes across Germany and internationally
- To automate internal processes (sending of information and documents is triggered automatically)
- Complete annual planning and product planning easily
- Make the tool available internationally
- Information and documents stored centrally

Benefits and advantages

- Head of sales can now access information from the sales team quickly and easily, without having to resort to time-consuming communications
- More transparency with the customer dossier - even if employees are on holiday or if employees leave the company.
- Improved the quality of our customer care
- Maintains the professional integrity of our employees and documents across all sites
